SCHOOL NEWS

Kia ora koutou katoa, Greetings everyone!

I have utilised the picture of three of our parents who took part in the Tough Kids event the other day as our cover photo, purely because it's a great example of positive role-modelling.

We often encourage our children to do things, whether it be along the lines of exercise, healthy eating, learning, taking risks, etc. but we ourselves need to be role-modelling these things for them to have an impact. This also applies to the emotional side of assisting our children. If we are 'seen' to be resilient, patient, respectful, honest, etc, our children are far more likely to be the same. We are very fortunate as a school that we have such a great community of parents, who are raising their children with great values that align with what we too, focus on here at school.

Rangitikei Tough Kids

It was a great day out at Ohingaiti for the annual Rangitikei Tough Kids event run by Sport Whanganui. We took a sizeable team and they represented our school in the manner we expect, on and off the track.

Top 10 placings achieved by our students were as follows; George Ellwood—1st, Leo Ellwood—2nd, Bobbi-Jo Gavan—2nd, Amie King—3rd, Moshea Mankelow—4th, Lyrik Wiperi—5th, Kobie Roache—6th & Sonny Marshall—Paora—9th. Many thanks to the parents that came along for the day!

Seniors attend Science Roadshow

Our Senior class ventured off to Carncot School in Palmerston North last week to take part in a Science Roadshow. There were numerous experiments to observe and even some performed live, that a couple of our students took part in.

Thanks to Mrs Reid for taking our students on this excursion and to our parents that assisted as well.

Year 7-8 Te Kawau Football postponed

It was disappointing for our students that the Year 7-8 Te Kawau soccer tournament was postponed but the bonus is that at least it's postponed rather than cancelled.

This tournament will now be held during week nine of this term.

Poi making sessions

We are very fortunate to have Jadyn and Chris from Whakapai Hauora coming in over the next four weeks, to run poi-making sessions. Not only are our students making poi, but they are also learning about the related tikanga and the games they can also play with them.
